+ part-time

Visiting Fellows and Professors

Visiting Fellows are advanced scholars and those employed in business and government who are attached to SPRU in order to pursue their own research for periods of between three and twelve months. Visiting Fellows are sponsored by a member of SPRU and have access to the SPRU library facilities and seminar programmes, as well as to the facilities of the University as a whole. The following were Visiting Fellows in the academic year 1997-98 (excluding attachments of three months or less).
